Crystal Gayle Sticks Close to Home

Gayle

Cystal Gayle's long black hair still touches the floor and her eyes are as blue as they were three decades ago when she had a smash with "Don't It Make My Brown Eyes Blue," as I learned when she recently visited me with her husband, Bill Gatzimos.

"I'm working maybe 50 days a year, and that's enough," Crystal told me with a chuckle. "The more I stay at home, the more I *want* to stay at home." Crystal and Bill have two children and one grandson. The very mention of that 4-year-old boy brings smiles to the couple's faces.

Crystal also told me that ever since funnyman Will Ferrell wore a Crystal Gayle T-shirt in the hit movie *Talladega Nights*, they've become a hot item at her website, crystalgayle.com. "We had to order a whole bunch more," she noted with a laugh.
